

360 FAMILY MINISTRIES

A Call to Apostleship
Dr. D.C. Stewart

To the Church and to the individuals of the Church; continue in well doing before the Lord. Your work and labor have a great reward that only can be measured by God in its abundance.

God is calling for the Church and every born of God follower of Christ, to be steadfast and trust in the guidance of God's leadership with their whole heart, mind, body, and soul. The world will continue to be volatile for the next few short years and then it will get worse as we receive a change in presidency in 2024-25.

It was Sept 24, 2019, President Trump declared an end to the globalist movement. Immediately, November 2019 the globalist leaders launched a campaign to rekindle the globalist movement call "Pandemics". By January 2020 it was rekindle in China and quickly spread to the rest of the world.

"United we Stand", is not the slogan for the USA, rather "In God We Trust".

Pray for the president, president's Administration, Supreme Court Justices, Legislative Branch, State Governors, Mayors and City Official. Pray for the unity of the faith in Christ Jesus and the edifying of the Body of Christ among its followers.

May the God of Peace be With You,

Dr. Douglas Stewart
President

"For our light affliction, which is but for a moment, worketh for us a far more exceeding *and* eternal weight of glory"
(2 Corinthians 4:17).

360 FAMILY MINISTRIES REDEMPTION, RESTORATION, RECONCILIATION

360FM@360familyministries.com

{Redemption - Restoration - Reconciliation}

Redemption: 360 Family Ministry works to redeem the time lost within families, marriages and the entire institutional framework of the family that is ordained of God.

Restoration: We seek to restore love, joy, peace and unity within families that will bring a lasting healing affect in homes.

Reconciliation: Nothing is out of God's reach even forgiveness of those things we earnestly regret over the years. We reason together with families to bring them to God's banqueting table of love and reconciliation.
